Attachment nd030g01- housing needs

The Quality Housing and Work Responsibility Act of 1998 requires housing authorities to set forth in our Annual Plan a Needs Assessment of the Housing needs of our jurisdiction and our waiting list. We then are required to state how we intend to address those needs.

Housing Authority of Benson County has determined the housing needs in Benson County based on the State of North Dakota Consolidated Plan and the most recent census data (1990). The BCHA also consulted the Public Housing and Section 8 waiting list and past rental experience to determine the following needs:

1. Continue need of funds to provide rental assistance for low-income families.
2. Increase affordable housing with two or more bedrooms.
3. Handicapped accessible units.

Currently Benson County Housing Authority has determined that the housing needs for low-income and very-low income families (including elderly families and families with disabilities on the Housing Authority's waiting list is as follows:

Non-elderly Families

	1br	2br	3br
Extremely low Race	0	1 White	0
Low-income Race	0	0 Native American	1

The waiting list site is based at West Bay Homes, 201 Main Street W, Minnewaukan, ND. The BCHA waiting list has two separated lists one for Section 8 and one for public housing. As of date the Housing Authority has 4 HAP vouchers pending & 2 families on waiting list for a family unit.

Benson County Housing Authority's will improve the marketing outreach for the Public Housing and Section 8 program. We will take extra steps to inform the public on our services.
